

PROPHETIC POINTS IN HISTORY

The Prophet's Own Time

Captivity & Restoration

Christ's First Coming

Christ's Second Coming

New Heaven & New Earth

From one point of view all the peaks might be lined up and appear to be one mountain rather than different peaks separated by valleys of time. Determine for which time the prophecy is speaking, either during one of these times or directly before/after it. This is how God sees history, based around these events.
