Exodus 14 • The Final Sign of the Exodus

1. (v.1-4) On the one side were the false gods of Egypt, on the other the false gods of Canaan, Israel would have to pass through both to come to the One True God.
   a. “Pi-hahiroth” = house of the Egyptian goddess Hiroth
   b. “Migdo” = watch tower
   c. “Baal-zaphor” = Baal of the North

2. (v.5-9) Pharaoh goes from being personally passive to actively participating – just like the Antichrist.

3. (v.10-14) It is the Lord Who fights the battle – just like Armageddon.

4. (v.15-18) In times of trial the believer must move as God directs, which is always towards His glory and honor.

5. (v.19-25) What leads to light and life in Christ for those who accept Him are the very things that bring darkness and death for those who reject Him – just as in the Last Days.

6. (v.25-31) They Egyptians’ final acknowledgment of God was not enough to save them because it came as the result of fighting Him, not submitting to Him – just like Final Judgment.

**Overall Applications:**

1. The greater thing that all legitimate signs and wonders point to is salvation. The signs confirm the message.

2. That message for non-Believers is the Gospel of salvation; for Believers it’s faith and trust in Him to complete the work of salvation.

3. Baptism is not simply exchanging one set of gods for another set, but completely leaving the old life and trusting Him for the new.
