

2 Chronicles 15-16 • Asa Part II: A Study in Faithfulness

1. (15:1-7) The initial work of faithfulness during times of **peace** needed to be continued in times of **conflict**.
2. (15:8-19) One of the hallmarks of spiritual faithfulness is placing **God** above all other **relationships** and all other **things**.
3. (16:1-6) Trouble often follows the **assumption** that any course of action is fine with God and failing to **consult** Him.
4. (16:7-10) The cure for **disobedience** is always nothing less than **obedience**; the cure for **unfaithfulness** is always nothing less than **faithfulness**.
5. (16:11-14) Unresponsiveness to the Lord's **discipline** can lead to far more serious **consequences**.
